

PARENTS' PRAYER

*Loving God,
We give you thanks
for having given us children.*

*They are our joy,
and we accept with serenity
the concerns, fears, and labours
which bring us worry.*

*Help us to love them sincerely.
Through us, you gave life to them;
from eternity you knew them
and loved them.*

*Give us the wisdom to guide them,
patience to teach them,
vigilance to accustom them
to the good
through our example.*

*Send your Holy Spirit daily
to lead and guide us.*

*Ever assist us to grow
in wisdom and gentleness,
in grace and knowledge,
in kindness, compassion and love.*

*Help us never to hold on
too tightly to this child,
nor neglect our responsibilities
before You as a parent.*

*Teach us and help us, Loving God,
through the Grace of Jesus,
your Son and our Lord.
Amen.*

CHRISTIAN INITIATION OF CHILDREN OF CATECHETICAL AGE

Our parish places a great deal of energy and emphasis on young people's initiation into the Catholic Church.

CICCA is based on welcoming and forming strong relationships for the whole family of children preparing for the sacraments of Baptism, Confirmation and the reception of First Holy Communion at Mass. The whole community celebrates each of the steps along the way. In our parish there are **three 'stages'**.

Stage One engages the family and supports them through an inquiry stage. During this time children are **registered** by their parents and through immersion in the community they begin the journey towards formal preparation and full initiation.

After discernment of readiness by the child, the parents and pastor, each child is then invited by the pastor to begin **Stage Two** of the journey.

They are then **enrolled** during a simple ritual at the weekend Masses and begin the formal program preparing them for the sacraments.

Finally, in **Stage Three** the children prepare for and celebrate the Liturgies and rituals of Confirmation and First Communion becoming fully initiated members of the Catholic Church.

If you would like your children to begin formal preparation in Stage Two, **they need to be registered and begin Stage One approximately six months prior.**
